Regent Park, Sydenham,  
Suffolk, Speke.

## Details

**Value:** £1-1.5m build  
(ex pitch installation)

**Client:** Goals

## Synopsis

Consisting of 12No illuminated 5-A-Side artificial football pitches served by a sports social facility consisting of changing/shower rooms, bar-lounge and kitchen, Goals Soccer Centres offer the latest in sport recreation with 42 facilities in the UK.

Anderson Green have designed the building services for many of the facilities and have become Goals Soccer Centres preferred BREEAM assessor.

## Best in Class

To reduce the energy demand and carbon emissions of the previous design, LED lighting and more efficient heat recovery systems were introduced to the building services designs.

The overall environmental impact of the developments are assessed via the BREEAM methodology with BREEAM Bespoke "Very Good" ratings being achieved.
