

# Pier Road Gillingham

Gillingham

## Details

**Value:** £1.5m

**Client:** University of Kent

## Synopsis

The project involved the building of 2no accommodation blocks providing 400 standard and 6no disabled new study bedrooms. Each block was based around a number of individual study bedrooms with a communal lounge and kitchen area.

Anderson Green provided detailed design and build cost proposals for all internal and external M&E services; detailed costs to guarantee cost certainty; design & build and coordination of the mechanical and electrical systems.
